

# VCR: IT'S SIMPLE! REGISTRATION MADE EASY.

1

## Ticket selection and uploading the VCR certificate

**COVID Approval**

Due to the Corona pandemic, all attendees must be vaccinated, recovered or tested. Consequently, participation is only possible with a valid COVID certificate. You can now present a digital COVID certificate to enter the event without a test warning. Please upload your certificate as follows, a PDF file or a screenshot or scan (with a watermark).

We accept all certificates that meet the EU standard.

**Upload COVID certificate now**  
EU standard, photo PDF, PDF, Scan

**Scan COVID certificate with smartphone**  
EU standard, no watermark

or

**Continue without upload**  
Certificate must be presented at site

By voluntarily uploading the digital certificate, I agree that the health data entered therein may be processed by our system provider for the purpose of attendance control on terms stated in Germany.  
This data will generally be deleted promptly after the event, at the latest when it is no longer required for the installation and follow-up of the event. I can revoke this consent for free later by e-mail to [help@agritechnica.de](mailto:help@agritechnica.de).

If frequently asked question  
What certificate types are accepted?  
What happens if I don't upload a certificate?

- Choose a ticket or redeem a voucher.
- Upload your VCR digital certificate\*.
